

FASTER CARE BETTER OUTCOMES

A woman with dark hair is shown in profile, looking down at a young boy. The boy is sitting up, holding his right hand to his ear, looking distressed. The scene is dimly lit, suggesting a home at night. A large white circular graphic is overlaid on the left side of the image, containing text.

MyCare Ally

Smarter Healthcare, When It Matters Most

When Sarah's son woke up crying with ear pain, everything stopped.

The walk-in clinic was full. The ER was packed. And she did not have a family doctor.

MyCare Ally provided a virtual consult within 15 minutes. They turned fear into relief—fast.

Sarah's Story

Sarah turned to MyCare Ally in a moment of panic. Within minutes, she received:

A virtual medical consultation

Prescription sent to her pharmacy

A comprehensive after-visit summary

Assistance finding a family doctor

Option for specialist referral if needed

IT DIDN'T STOP THERE

Sarah knew that MyCare Ally would be there for her family in the future if they were ever faced with a serious illness and placed on a wait list.

Initial Diagnosis Assistance

eConsults, imaging, and specialist reviews to expedite accurate diagnosis when time matters most.

Medical Second Opinions

Independent medical file reviews and comprehensive treatment summaries from top specialists.

What is MyCare Ally?

MyCare Ally is a full-spectrum healthcare support program for individuals and families.

It navigates you through the complex healthcare system, simplifying your journey every step of the way.

You're never alone with MyCare Ally.
